

## **AutoMARK Frequently Asked Questions**

### ***1. How do I program a flash card with a demo election?***

- a. Your regional representative from ES&S can program your cards at your training session. Simply bring your card with you and ask your representative to program your card.

### ***2. How do we obtain a flash card?***

- a. One flash card comes with each AutoMARK machine. When you receive your AutoMARK machine, you will receive a flash card.

### ***3. How much does the AutoMARK weigh?***

- a. The AutoMARK weighs 48 pounds. The AutoMARK case weighs 32 pounds. The AutoMARK and the case weigh 80 pounds together.

### ***4. What are the dimensions of the AutoMARK case?***

- a. The AutoMARK case is 24.8 inches by 30 inches by 11.5 inches.

### ***5. Where do I send the pronunciation guide?***

- a. Additional information will be provided to you this week.

### ***6. Where do I send my flash cards to get programmed?***

- a. Additional information will be provided to you this week.

### ***7. When and where is my training?***

- a. An ES&S representative will be contacting you to schedule the date of the training session. County clerks will be responsible for providing ES&S the training location address. Once the date and location have been scheduled, the information will be posted on the Bureau of Elections Website. The training schedule is maintained on the Bureau of Elections website. [www.michigan.gov/sos](http://www.michigan.gov/sos) - Click on Elections in Michigan and then click on Accessible Voting Equipment.

**8. *When and to where is the equipment delivered?***

- a. The equipment delivery schedule is provided at your acceptance testing.
